FOR IMMEDIATE RELEASE

### **SILICONE SPRAY NO. 945 FROM SPRAYWAY, INC. STOPS SQUEAKING, STICKING, BINDING**

ADDISON, IL – Spray No. 945 from Sprayway, Inc. makes everything slide and glide effortlessly. It stops the squeaking, sticking, and binding that often occur with most machinery. It retards corrosion and makes cleaning easier and quicker. No. 945 dries rapidly with no greasy or oily film. It saves valuable time while it protects and preserves equipment. Odorless, colorless, non-staining, waxless, and heat-stable from -40°C to + 204°C, it is safe to use on such surfaces as metals, glass, rubber, plastic, painted finishes, and fabrics (except polystyrene).

For *Furniture/Upholstery and Auto Trim* professionals, No. 945 speeds cutting and sewing while eliminating material drag. It stops bunching and binding, and it facilitates fabric flow. *Glaziers* find No. 945 effective for lubricating weather stripping, window channels, and doors. *Printers and screenprinters* rely on No. 945 to lubricate screen frames, vacuum beds, and printing platens. For *hardware and industrial maintenance personnel*, No. 945 used on power tools prevents binding and provides easier cutting of materials.

**This product is free of ozone-depleting chlorofluorocarbons (CFC's). A brochure regarding aerosols and the environment also is available. For more information, please contact Sprayway's Customer Service Department.**

**LEADS/READER RESPONSES:** *Please direct all responses to Sprayway, Inc., International Department, 1005 Westgate Drive., Addison, IL 60101 U.S.A., Telephone: 630-628-3000, E-mail: [international@spraywayinc.com](mailto:international@spraywayinc.com). 0701*
